Subject: RE: Potential linemarking at the Horsham velodrome this month

Gary

You will be pleased to hear that the cycling carnival on Thursday 27 December was a great success, thanks to your timeliness and excellent work at the velodrome.

Often the club members remarked how great the track looked. Also they were very pleased with the bottom duckboard marking, which Horsham in the past, had not done such a great job as you have set up.

So, once again thanks for all the work done.

Kind Regards
Martin Duke
